

LENNOX ST. GALLERY

SYDNEY CONTEMPORARY - BOOTH J04

Lennox St. Gallery is proud to participate in this year's edition of Sydney Contemporary situated at booth J04. As our first time at the fair, we are all very excited to showcase our artists on such a stage. The Booth features a dual-presentation of paintings and sculptures by John Aslanidis and Louis Pratt. Their respective practices are united by a shared interest in the artistic exploration of 'Big Data' and its implications and visual manifestation. Lennox St. Gallery has recently opened its new space in Richmond, Melbourne. Representing 40 artists and estates across a diverse range of mediums and styles; with an eye towards practices rooted in a global perspective.

For full details and larger images, please see the end of this document.
